Enter the pickup location

Enter the status change/trigger for the alert

Define the alert criteria

The screenshot shows a web browser window with the URL `172.16.21.26/warehousingSTG/alerts/alerts?event=ALERTS`. The page header includes the STG logo and navigation tabs: OCEAN CFS, AIR CFS, DISTRIBUTION, TRANSPORTATION, LOCATIONS, and TECHNOLOGY. A modal dialog titled "Add Alert" is displayed in the center. The dialog contains the following fields and options:

- Alert Name: TEST
- Deactivate on: 30-AUG-2016
- Location: Atlanta
- Status: Discharged from vessel
- Send alert for: Container (selected from a dropdown menu)
- Email Address: [Empty text box]
- Confirm Email: [Empty text box]

A blue "Save alert" button is located at the bottom left of the dialog box. The background page shows a sidebar with "Home" and "Container" buttons, and a main area with "Location" and "Action" buttons. The footer of the page reads "Website by SFA | Powered by Cargo Manager Systems".

Enter and confirm the email

The screenshot shows the same web browser window as the previous image. The "Add Alert" dialog box is now filled with the following information:

- Alert Name: TEST
- Deactivate on: 30-AUG-2016
- Location: Atlanta
- Status: Discharged from vessel
- Send alert for: Container
- Email Address: skuper@stgusa.com
- Confirm Email: skuper@stgusa.com

The blue "Save alert" button remains highlighted at the bottom left of the dialog box. The background page and footer are identical to the previous screenshot.

Click "Save alert" to save the alert
