

Application: Registered User Rights

www.stgusa.com

Please email this form to your local STG Logistics station Branch manager; should you wish to become a Registered User. As a Registered User you will have private and confidential access to the STG Logistics website. This access will allow you to enter or delete your freight releases, check IPI cargo status, and much more.

Important Facts

Your Temporary ID will have a onetime change which is completely under your control and is confidential to you and your assignments exclusively. Please remember to use your STG Account number as part (not all) of your created password. This will avoid possible duplication.

Registered User Names and passwords are Upper and Lower case sensitive.

Only one registered user can be assigned per STG Account number. Additional users are further created by you as the administrator.

Your signature will be required below to confirm that all the above is understood and acknowledged.
